

Autumn 2018

So we are Christ's ambassadors; God is making his appeal through us. We speak for Christ when we plead, 'Come back to God'. 2 Corinthians 5:20 NLT

In this season of asking God to stir hearts and ready feet to stand and be an ambassador for Christ in our schools, I think of Gideon who had to place all his trust in God, not in his own strength.

Part of our job is to work with local Christians and Churches to serve our schools. I recently asked the teenagers at one church who attend three different Secondary schools "Just one thing? What will you do?" "Will you . . . Meet with someone to pray for your school? Invite someone along to a lunch club?" One girl told me how her friends react to her faith is a challenge at school, and said she was going to ask her head of year to put up a lunch club poster in the school. What an honour to be able to pray for just one of our young people on their faith journey right now. I am challenged to step up and would encourage you to ask yourself what is that 'Just one thing' you can do next to champion Christ in our schools in this time?

News from Bee

You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven Matthew 5:14-16 NIV

What a reminder to be God's ambassadors in our workplaces, our communities, our families, and our schools. At QES I want to encourage the young people to do the same as they might be the only bible their friends will read. I've been encouraged by their faith, new students joining us this term, and one of the girls inviting two others to join as they passed the door to our club. We are collectively learning more about the bible as we delve into The Bible Course by The Bible Society whilst still enjoying space to play games, eat biscuits, and get a well-deserved break from studying.

Working in partnership with local Christians in schools- Lol Wood (Kirkby Lonsdale), Dan Huddleston (QES), Chris Fawcett and Ralph Penny-Larter (Sedbergh) has such a great impact, the light shines even more brightly!

News from Diana

I had a busy start to the term with schools booking in for assemblies and lessons almost straight away. Katy and I led assemblies at Kirkbie Kendal and Dallam to reconnect with the Year 7s and invite them to our Drop In Clubs. Children are gradually filtering in to the clubs which is encouraging.

St Mark's at Natland, St Thomas' and Levens primary schools invited me in to take our New Beginnings Assembly where the children heard the story of Zaccheus and how he had a fresh start after he met Jesus. The children thought about how they could have new beginnings at the start of the new term.

I enjoyed the day I spent at Arnside school when I taught lessons on Forgiveness to years 3,4,5 and 6. The children heard the story of John Mosey, a local retired pastor, whose daughter had been killed in the Lockerbie bombing. They were astounded to hear that he and his family chose to forgive the people behind the bombing and we had some interesting conversations about why he did this and how hard this must have been. One young boy said during the lesson, 'Well he really must be a true Christian to do that!'

Charlie's update from Furness . . .

September is a time of new beginnings in school life and here in the Furness area we started back on the very first day of term welcoming the new Year 7 students into John Ruskin School in Coniston. We were following on from the transition work that we'd started in the summer term when they were still in Year 6 and it was lovely to see them "land" in their new school.

All of the Big Questions groups have restarted in John Ruskin School, Ulverston Victoria High and Millom School. We have seen new members at each of the groups and it has been fantastic having some really deep conversations about who God is, what Jesus did for us and why God loves us so much.

It's been a half term of new beginnings for me too - taking on Millom School. One assembly and many Big Questions later I can say that I'm really enjoying getting to know the folks over there.

We're also extremely happy to have Windermere Deanery Network Youth Church Leader Chris Mason helping in John Ruskin School helping to build the church and school link in the Hawkshead/Ambleside area.

We've also started a new year of peer mentors in JRS which has been really exciting. We've had one group session where the Year 7/10 pairings got to know each other and establish how they were going to support each other through the year.

Thanks again for your support for the work of NISCU in the Furness area!

Message from the South Lakes Support Group

2 Corinthians 5 v 20 urges us to be ambassadors for Christ. Why? Because God wants to use us, his people, to take his message of reconciliation to those who do not yet know him. What an amazing message, that we can become friends with God through his son Jesus, and what a privilege to carry this message. Pray for our NISCU workers as they work as ambassadors for Christ, and let us pray that we would all consider how we can spread the good news of reconciliation to young people in our schools and communities. Many thanks for all your support.
