Business Class Business Class

Hello and welcome to NISCU Business Class.

enable business minded people to support the business aspects of NISCU. Over the past few years we have seen an

increase in demand for better corporate governance, staff training, staff development, financial administration and media output. If you are in business you will also recognise these demands in your own sphere of work.

> All of these demands require extra funding, but it is our desire, that this does not become another burden on income streams that support our front-line staff being in schools.

So, simply put, our Business Class allows us to meet these important business demands that underpin the growth of our work in schools.

NISCU is a Private Limited Company (by guarantee) registered in England/Wales number 7203313 and as a charity number 1135880.
