

**Praise and thanks**

- Abbeystown kids club this term has been a messy church held inside the school, 25 young people on average attending. We recap the story from the previous messy church and the young people have been listening and able to tell not only the story but the application of it too. The school have asked for this to be a termly/half termly event going forward.
- First assembly booked at Rosley: whoop!
- **Transition lesson booked at Newtown:** This is the first lesson I have been booked for here.

- Pray for continued consideration of encouraging church links for secondary school children.
- Continued prayer for funding for support CEO post. (Business Class).
- Pray for planning for AGM. For programme to give thanks and praise to God for all He is doing.

**Transition Lessons**

Transition lessons are for Year 6 pupils to encourage them as they move up to secondary schools.

As part of this, we like to give every Year 6 child a copy of *It's Your Move*, a great book full of tips, strategies and encouragement for them at this time of change.

**Pleas please**

- **Nelson Thomlinson school prayer spaces:** The only time the space is available is the first week of July; however transition day is the Monday and citizenship day is the Thursday so now the space is available Tues, Weds and Fri.
- **Rosley first assembly** Pray the relationship with the school can grow from this one and that they book me for further assemblies.
- **Richard Rose Morton Academy** – lunch club is not currently happening during exam season, please pray this re-starts as soon as possible!
