

Praise and thanks

- For the great number of opportunities we have had in schools this year.
- For the opportunity to run a prayer space in Central Academy! Being a visible presence in the whole school all week but also having so many volunteers from many local churches and a chance positive meeting with the new head teacher starting in Sept ☺. Please pray for the young people that it will help them have a quest to seek and find God for themselves in a real way!!
- Being able to partner with the local churches to spread the gospel!! Being able to work together to tell more and more about Jesus is just an incredible experience and opportunity. So many positive links!

General

Pleas please

- Pray for the committee and staff. Our meeting on 30th September is specifically to pray and discuss strategy, praying for wisdom as we seek the Lord's vision for the work.
- Pray for Rachel and Hayley as they cover Fiona's work next term. They have decided the schools Fiona worked in have had lots of changes of staff in the last few years and want to give them some continuity next term. Most schools have had Rachel or Hayley at some point during the last year. Fiona worked with Hayley in much of the work she did which is helpful.
- Pray for young people today, many of whom are struggling with confusing home lives. Pray we understand the culture they are living in, so we can be supportive as well as share Christian truth in sensitive ways.
- Many young people would really benefit by having someone they can

Pleas please

- For those who have recently had exam results: that they will know their value is in Jesus, not in their grades!!
- Energy as we tackle a busy term with just two Schools' Workers
- Wisdom and guidance for the team as we look at strategy and next steps.
- For all those, like my youngest, starting new schools and institutions.

talk to. Please pray for the listening course which Rachel & Nick will run next term. Pray Christians will take up the challenge to be good listeners in church, home, neighbourhood and school contexts. (details available soon)

- Pray for children transitioning into secondary schools and for Rachel and Hayley to be able to follow up the year six transition work from last term.
- Pray for new members to join the committee. One or two of us believe it is time to step down, which will be good for the future of the work.
- Kingmoor Quest club. We are grateful to Andrina Crampsey for taking charge last year, but she can no longer continue. There are still leaders (*Ruth McStay, Bruce Beattie, Helen Walker, Kathryn Fairclough*), but no one feels able to take on the overall leadership. Rachel can help, but cannot commit to every week. Please pray the Lord will make his way clear over its future.
- For ongoing funding for our CEO.

“See, the Lord your God has given you the land. Go up and take possession of it as the Lord, the God of your ancestors, told you. Do not be afraid; do not be discouraged.”
 Deuteronomy 1:21

“Be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them fade from your heart as long as you live. Teach them to your children and to their children after them.”
 Deuteronomy 4:9

Puppets

Praise and thanks

- Praise for the assemblies booked for the start of next term.
- Praise for new enquiries about joining the puppet team
- Praising God for the joy in seeing so many children singing on the way out of assembly having had a space of grace to hear about his love for them
- Rejoicing that we have the privilege to carry his message into schools and the freedom we have to share our faith in often very dark situations for some of these children

Pleas please

- Pray for rest for puppeteers.
- Good health especially for June Proudfoot and Ken Holmes who have been missing in action.
- Please pray for sufficient team members each week.
- Pray for Ailsa who is very busy. Give thanks for Henry, her son, who is willing to help out a bit next term.

Hayley

Praise and thanks

- Husband Matt had his knee surgery and is recovering well.
- Feeling well rested and raring to go again.
- Just for how the schools welcome us to share the gospel with them.

Pleas please

- Pray for all young people that someone would be continuing to share the gospel with them.
- Young people had a fantastic time at Cumbria Christian youth camp, and the young people who became Christians. Pray they are well supported by a local church.
- For continuing open doors in September.
