## Lost

All of our stories this week have been about things which, or people who, were lost... and the reactions of those around when they were found.

Which was your favourite Bible story this week?

Maybe you might want to draw a picture of it here ...

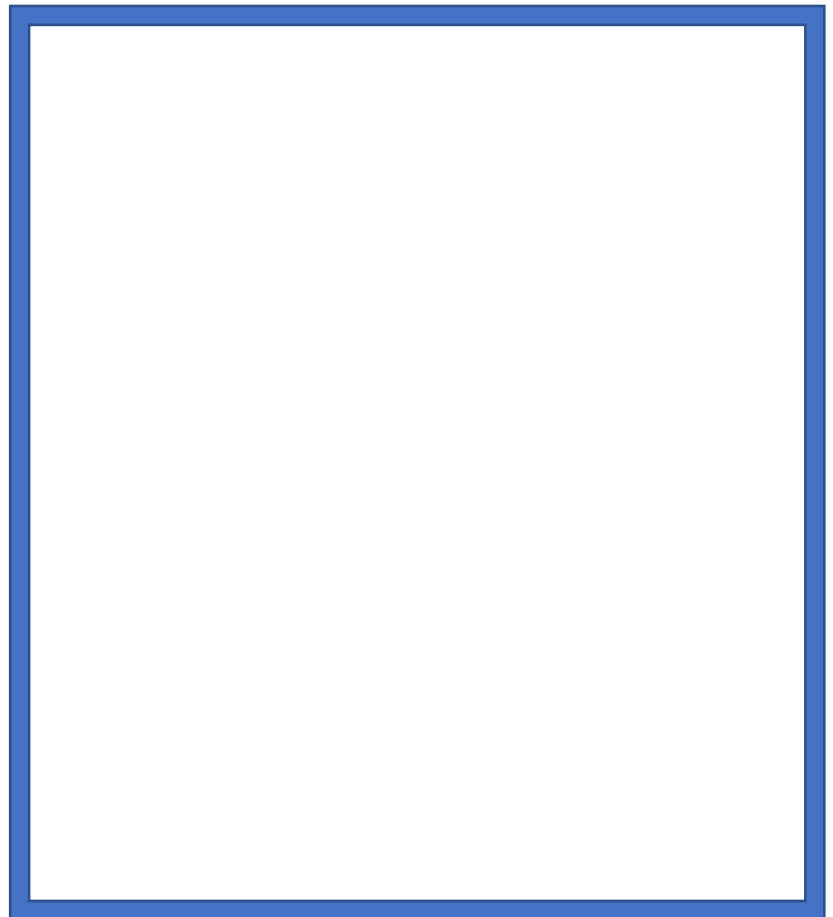

Have you ever been lost anywhere? Can you describe when or where?

How did you feel when you got found?

Have you ever lost anything special?

How did you feel when you found it?

Maybe you would like to say this prayer:

Heavenly Father, the Bible tells us that you don't want anyone to stay lost, thank you! Thank you for the people who look after us, and for the people who are excited to find us! Please keep us safe and secure.

In Jesus' name, Amen
