

**Be anxious about nothing, but in everything by prayer and petition, with thanksgiving, let your requests be known to God.  
Philippians 4:6**

**A Head teacher summed it up this week . . .**

**“We value your prayers.”**

Please pray for;

**Children and young people**, some who have been in school all through lockdown, some returning to school in June, and those who will remain at home. Also for vulnerable children, year 6 and older students to adjust well moving forward as plans change.

**School staff, Headteachers and Governors** as they move forward to provide a safe environment in school for our children and young people and continuing educational provision at home, for energy, strength and wisdom in all they do.

**The Church, us** as we look to how we can be alongside, stand together and walk with our schools, our children and our young people at this time, and be the hope, love, peace and truth in their lives.

**THIS WEEK - OUT OF FURLOUGH:**

Please pray for the team back at work for the first week of June - contacting and **listening** to schools. We have heard from at least 22 schools, many wanting to talk about their school moving forward. **Sending out** an update video to all our schools, and the Year 6 Moving Up video to Primary Schools and Heads of Year 7 in Secondary schools. We are now on **furlough** until the beginning of July when we will be back in touch to let you know how you can **join in NISCU Week of Vision and Prayer 12th - 18th July**

**Prayer requests from Schools**

From a Hub school that has remained open  
“Safety, confidence of staff as some cannot return, energy to continue, and understanding of children’s different experiences during lockdown, and for friendships.”

“Good health, strength and the process of adjustment to being back in school for staff and students.”

“Thankful that the children are happy to be back”

“For the next stepping stone for moving on”

“Health and happiness for our families and staff”
