Everyone Welcome

### **TUESDAY 14th JULY**

Email team (see contact details below)

### **WEDNESDAY 15TH JULY**

Take a stroll past your local school(s) and pray for them. Anytime that suits you. Our suggested 3 things to pray with your "LIP"s are:-

LIGHT - that God's Word will be a bright light in this difficult time and His presence felt more keenly amongst staff and students

INSPIRATION - for Heads and teachers trying to figure out how to help their children thrive and be kept safe from September. For new, fun, innovative ways of learning.

PROTECTION - that children and staff will be protected from the virus and from fear and anxiety.

Whenever you go out for exercise, detour past a school and pray as you wander past.

(maybe don't loiter outside!!)

### **THURSDAY 16th JULY**

Set aside an hour to pray for schools and NISCU. Outline of ideas for prayer given - see link.
