

# Jesus is Baptised

Matthew chapter 3  
verses 13 to 17

John baptised Jesus in the River Jordan. God spoke from Heaven and the Holy Spirit rested on Jesus like a dove. Can you draw a dove resting on Jesus' hand?

**This is my son, whom I love. I am so pleased with him.**

Why do some people choose to baptise their babies?

Why do some people choose to go right under the water in public?

Why is water a good symbol for telling others you are a Christian?
