

LET'S PRAY

Please find a short paragraph of prayer points for our schools below.

Sedbergh Primary School – schools' worker Andi

Lovely afternoon spent at Sedbergh Primary school with Year 3. Receptive staff and children. Opportunity to share the gospel message alongside Remembrance and to make some wonderful poppy art. Lovely email from Sally Y3/4 teacher. Sorry for the delayed email to say thank you for the Remembrance Art workshop you led last week - all the children thoroughly enjoyed it. One of our TAs, collated and backed their work to create a stunning display in the hall, alongside some poetry written by the Year 6 children. Going forward for more opportunities within Sedbergh Primary.

Crosscrake – schools' worker Diana

JAM club till end of November at Crosscrake school. Please pray for a church volunteer to help out and take on, and wisdom which school to offer pop up club to next.

St Martins and St Marys

Pray for those on team serving weekly in St Martin and St Mary assemblies and listening services – Cathy, Jeanette, and Lawrence.

Staveley

Please pray for Cathy and Lawrence leading the weekly assemblies.

Heron Hill

Please pray for Heron Hill school and continuing opportunities to lead assemblies and teach lessons, especially during this time leading up to the current Head teacher retiring in August 2024.

Other Primary schools – schools' worker Diana

Please pray a few more schools will book the Christmas assembly (St Patricks, Arnside, Beetham, Burton Morewood, Holme and Old Hutton already booked.) Pray for wisdom which schools to offer Christmas lessons to, offering to County schools first; Holme, Stramongate, and Milnthorpe. Praise God, Castle Park have booked lessons for January.

LET'S PRAY

Lakes school – schools' worker Katy, and Chris Mason

Y11 and Y13 who will soon be undergoing their mock exams would be appreciated.

Y7s continuing to wish them a successful start at The Lakes School.

Thank You 😊

Head of Humanities.

Thank you for open doors into the Lakes and for the students who have been coming into the drop in.

Please pray about the opportunity to expand for y11 drop in.

Head of pastoral

Praise God for the opportunity to meet all of Y7 in the special assembly, for support from key staff making the lunch club a possibility, and being so supportive and welcoming, reminding students about the club, and being open to explore other options for how we can serve in the school.

Please pray we will take all the opportunities to deepen good relationships with staff and students. 30+ came along this week to the drop in club.

QKS – schools' worker Katy, and James Locke, team from Parr Street

Praise God for the 12 regular attendees of the lunch club, Year 8 and Year 10, who are engaging with the three minute Our Daily Bread reflections. Please pray for the students who already read their bibles to continue to deepen in their relationship with God, for the students who have taken booklets and gospels to feel compelled to read the parts of the bible, and take opportunities to talk to each other about what they have read. Please pray for one or two students who are wary, that they would have courage and feel safe to remain in for the whole session, and for Holy spirit to guide us as we lead, so we can encourage and support them to feel safe. Pray for wisdom what to do in the spring term once we have finished working through the ODB Teen edition topic.

Please pray for good conversations with school staff about the church visit and for plans to come together during December once James returns from paternity leave, and for that to go ahead in the new year.

Please pray for good opportunities to support SMSC development through pop up reflection spaces/activities.

Please pray for good health for staff and students in this very long half term-we finish very late on 21st.

Personally, please pray, I keep experiencing a flare up of my asthma, GP has been brilliant but we don't know what the cause is. I can't easily have time off so I always carry on but teaching is hard when it is bad.

Teacher QKS

LET'S PRAY

niscu

KKS – schools' workers Diana, Katy, team from STK, Parr Street and Parish Church

Please pray for information about the Friday lunch club to filter through to the Y7 and Y8 students, and they will start to come along from this week. Pray also for good provision of the right room for us to meet in, currently we are meeting in different rooms alternate weeks.

Thank you for the school welcoming us back in, and for connecting with Jack Taylor, who works pastorally in KKS, and was able to connect with us this week.

Pray for school life, especially as they manage space and staffing challenges.

Please pray for wisdom how to engage with Y8 through 'Imagine' material initially in school, and moving to meet after school in a local church.

QES – schools' worker Katy, and Dan Huddleston

Please pray for the students in Y7, 8 and 10 who currently come along to the Thursday lunch club, to continue to engage well in the games, and feel safe and confident to share and reflect in good ways in the 3-minute slot. Please pray we can get communication out to the Y9 students who came along last year, now Y10, and that they would be able to come along to the lunch club too. Pray for wisdom what to do in the spring term once we have finished working through the ODB Teen edition topic.

Church work with Children and youth

Windermere area

Thank you for Refresh drop in club St Mary's church and all who continue to serve on the team. Please pray for clarity of vision for the work moving forward.

Many thanks to you all for your continued prayer support.

The South Lakes Team
