

**DO NOT BE ASHAMED OF THE TESTIMONY ABOUT
OUR LORD ... BUT SHARE IN SUFFERING FOR THE
GOSPEL BY THE POWER OF GOD, WHO SAVED US
AND CALLED US TO A HOLY CALLING.**

2 TIMOTHY 1:8-9

Following the call

Our faithful God has saved us, but doesn't just leave us there, he then goes on to call us into a wonderful future, with plans for our lives. Part of this call is to share his good news, not being ashamed but giving testimony to others. In NISCU we have so many amazing opportunities to do this with the young people we meet.

In the North Lancs area we have 5 schools workers who have followed God's call to work with children and young people and are making every effort to build on the legacy of all those who have gone before, workers and supporters, who have seen this work grow and flourish. Thank you for all of your support, in prayers, practical ways and finance that enables so many young people to hear about Jesus!

LOU AND CHRISTOPHER REUNITED!

Calling Lou!

Lou is new to NISCU!

Back in 2016, I was a NISCU volunteer on a Christmas puppet roadshow with Christopher the Camel (he looked surprised to see me when I unearthed him the other week!) Now I'm back in the NISCU fold looking forward to connecting with churches, schools and puppets.

I was born and bred in Burnley and have lived in Lancaster since 1997, when I was a student at Lancaster University. I am married to Marcus, have 2 teenage boys and am part of New Life Church. I have worked in Dallas Road Primary, Willow Lane Primary and Our Lady's Catholic College over the years and I will be doing my NISCU role alongside CAP (Christians Against Poverty) and some independent careers work.

So far, I have been observing/shadowing the wonderful team I work with - I think they are just brilliant - and tidying the office (if anyone wants some worksheets, get in touch, we have lots!)

Called to be Creative

In NISCU, we love being creative in all sorts of ways and love helping other people find their creative side too!

Recently some of the team were involved in running a creative 'Pentecost Praise Day' at St Luke's, Slyne. Throughout the day all classes got to take part in workshops for dance, creative writing, music, art, Bible storytelling games and interactive prayer stations, all around the story of Pentecost. These were led by a combination of our team and class teachers.

It was amazing to see children responding and expressing themselves in all sorts of ways, enabling them to engage with such an exciting story. I absolutely loved being able to put together and hear poems and diary entries with children from Reception to Year 6, all finding and playing with words to give expression to their minds and hearts.

At the same time, Holly was teaching children to worship with all of their bodies, celebrating God being with us. And in another classroom the children learnt with Lou that God's message is one of complete joy, that these stories weren't simply just to be read but to be lived and have tangible impacts on our feelings, actions and lives. What an exciting day to be a part of! **Abi**
