Can you join us wherever you are at  and/or  for  minutes to pray for the work of NISCU in West Cumbria during our Week of Vision and Prayer?

Our 8 prayer points are:

1

Give thanks for all God has done this year in the schools we have visited and the opportunities we have had to share the gospel.

2

Pray that God will cause the message of His love heard by children, young people and school staff to take root and begin to change hearts and minds.

3

Pray that the work of the puppet teams will be blessed and encouraged in their ministry and that the teams are strengthened by the addition of new members.

4

Pray that the vision and purpose of NISCU West Cumbria would be clear to Christians across West Cumbria, and that they would be encouraged to support the work as they feel led - by praying, financial support or by volunteering in schools.

5

Please pray for wisdom and inspiration for Laura and Lesley as they prepare, resource and deliver clubs, assemblies and lessons.

6

Pray for our Listening volunteers, that they would be blessed, and give thanks for new volunteers that are in the process of being trained to go into schools. Pray that doors would be open to them in some new schools going forward.

7

Pray for the teachers and support staff in schools as they strive to encourage, inspire and educate our children and young people, especially in the light of the mental health crisis that is affecting so many children and young people.

8

Please pray for increased financial support for the work of NISCU West Cumbria so that our work can continue bring light of Christ into schools across West Cumbria.
